

**AGPS 250 [CRN 34172]:**

# INTRODUCTION TO VITICULTURE

**SPRING 2019 CLASS STARTS JANUARY 22**

**Tuesday, Thursday | 9:00–11:20 AM | North County Campus**

- Do you seek to improve your job skills and understanding of viticulture?
- Are you interested in learning the fundamentals of grapegrowing?
- Join us and learn how to prune, and train grapevines, and amend soils for productive vineyards.
- These activities will take place in commercial vineyards and at the college.
- Help us to plant a vineyard at the new Plant Science Facility with a 40-year grape veteran!
